STATUTORY DECLARATION

Statutory Declarations Act 1959

In the matter of:

Trade Wind Communications Ltd
United States patent application no 10/523153
A bulk communications process using multiple delivery media

I, David Colvin, of 83 Awaba Street, Mosman NSW 2088, do solemnly and sincerely declare as follows:

- 1 I am the Chief Executive Officer of ConnXion Limited.
- 2 I was asked by our patent attorneys, Freehills Patent and Trade Mark Attorneys, to attempt to contact Michael Stewart, an inventor of the invention described in US patent application 10/523,153.
- 3 Freehills Patent and Trade Mark Attorneys provided my colleague, John McCormack, and I with an extract from the British Telecom telephone directory listing London residential "M Stewart" records. A copy of the extract is attached as **Exhibit A**.
- 4 John McCormack and I divided the list shown at Exhibit A between us in order to share the task of contacting each recorded M Stewart. Attached as **Exhibit B** is the list of those M Stewart records which I was responsible for contacting.
- 5 On 17 and 18 December 2007 I phoned each number appearing in the list of Exhibit B in an attempt to contact the M Stewart and determine whether they were the Michael Robert Stewart for whom I was searching. Exhibit B also shows notes from my attempts at contacting each M Stewart in my portion of the list.
- 6 As can be seen from Exhibit B, none of the "M Stewart" records I was able to contact was a record for the Michael Robert Stewart whom I was looking for.
- 7 Despite being annotated with a general "No Reply" comment, I made multiple attempts to contact each M Stewart in the list provided in Exhibit B.
- 8 I hereby declare that all statements made herein of my own knowledge are true, and that all statements made herein on information and belief are believed to be true; and further that these statements were made with the knowledge that wilful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such wilful false statements may jeopardise the validity or enforceability of the application or any patent issued thereon.

I understand that a person who intentionally makes a false statement in a statutory declaration is guilty of an offence under section 11 of the *Statutory Declarations Act 1959*, and I believe that the statements in this declaration are true in every particular.
